

ROSEBURG REVIEW.

SATURDAY, JANUARY 24, 1885.

CITY LAWS.—Messrs Lane and Lane have been employed by the City Trustees to revise and codify the laws of the city.

CAMPTO AN END.—The All Star Troupe we learn ceased to twinkle at Albany this week. Their play was the "Mighty Dollar" yet the "Stars" all went into an eclipse.

QUARTERLY MEETING.—Rev. E. G. Mitchell Presiding Elder of the Oregon I. C. M. E. Church, South, will hold the second Quarterly Meeting for the Roseburg Circuit in our Church in Roseburg the 31st of January and the 1st of February.

INCENDIARIES.—The Flock & Noble grist mill came near being destroyed by fire last Saturday night. The work of an incendiary without doubt for shavings and dry kindling wood was piled around the post, and oil poured on, and fire set to it, but was discovered by some of Mr Flock's family in time to save it by hard work.

A NEW NAME.—About the only reason we can offer for changing the name of this paper is our personal taste in the appearance of the paper, and also, we desire to settle up all old accounts to January 1st, 1885, and then move into the future untrammelled.

ORIGON LEGISLATURE.—Our Solons at the State Capitol are going ahead framing and introducing new bills. But few bills thus far have passed, and not many will be until the great question is settled, the election of United States Senator.

DEED.—In Roseburg, at the residence of Mr. Hotchkiss January 19th, at 1 o'clock A. M. H. H. Baxter aged 25 years. He was born in Illinois. Deceased was a stranger in Roseburg having come here at the request of his friend Mr. Courtney with the hope of regaining his health but alas Death had marked him for his prey, and at length in the prime of life he had to yield.

LEADING BUSINESS HOUSES.—Roseburg is to be congratulated on its many fine and extensive business houses. That it is a prosperous and growing city can be recognized from the fact that it has sprung up from the original of the August first into more beauty than ever.

LOCAL ITEMS.

Johanne Brandt has been paying Roseburg a visit this week.

Rev. David R. as Presbyterian Divine, called this week, on his way South.

Simon Caro Esq. of our City has gone to Pleasanton Jackson County to be gone about a week.

Sheridan Bros. have placed their new 1/2 car proof safe in their office. It is quite an ornament.

M. W. Ziskowski of the well known cigar house is in town, doing a good business in the famous Kicker cigars.

We are pleased to note that the cases of Diphtheria on South Deer Creek are improving and hope the spread of the disease has been checked.

James Sheffield's team ran away last Wednesday over the Deer Creek bridge and broke the wagon up considerably. No one hurt however.

We have been rushed this week so much in making changes in old, and setting new ads, and not had done yet, that for all imperfections we must be excused.

An old resident from Oak Creek Mr. E. C. Barker says that the winter in his section has been almost unprecedented for mildness. The stock, looks well, and grass is fine.

The Union services are continuing at the M. E. Church this week with good congregation in attendance, and considerable interest manifested upon the subject of religion.

Perhaps there is no block of ground in all Southern Oregon vacant, that is so valuable as the one owned by the Caro Bros. where the old Metropolitan Hotel used to stand. We hope to see a fine structure there before 1886.

All parties should remember that the skating rink at Sloumen's Hall is the leading amusement of the city. Every Tuesday, Thursday, and Saturday evening the rink is opened and attracts large numbers. Do not forget to attend and enjoy yourself.

VARIOUS NOTES.

Rev. J. E. Day of Wilbur visited our City this week.

Mt. Scott Items came too late for publication this week.

John Rast, has just finished a substantial frame around his premises.

Sol. Abrahams Esq. is in Salem this week in attendance on the legislature.

Mitchell stock seems to be going above par in the Senatorial contest.

Wm. Callahan of Ten Mile was in town this week, and reports crops looking well.

Hon. A. A. Porter, of Josephine county, member of the Legislature, was in our city over Sunday.

Congress will doubtless be memorialized by the Legislature to forfeit all land grants to the O. & C. R. R., south of Roseburg, on the ground of non-compliance with the law.

James Laird, the stage man, the indefatigable, irrepresible coast mail carrier, took the mail on the hurricane deck of his mule and wended his way to Coos Bay last Monday morning.

The resignation of Gov. Cleveland recalls that in 1817 Gov. Tompkins of New York State, resigned to become Vice President of the United States, and in 1829 Gov. Martin Van Buren resigned to enter Jackson's cabinet as Secretary of State.

Mr. J. G. Blaine, of Maine, was not so much resigned as some other people are.

The Mortgage Tax Law must be not repealed but so amended as to stand the test in any court. It is time for people to learn the doctrines of economy and the hard times for the past two years have impressed this fact upon our people.

In 1734 a theatrical card contained this decree. We "heretby commend for the comfort of the public, that persons occupying the first row of seats have to lie down, the second to kneel, the third to sit the fourth to stand."

More advice said: "The public are forbidden to laugh, because the play is a tragedy." The "Times Mercury" spies the above and adds: "Now-a-days one woman may wear a hat big enough to conceal the whole stage from the directly behind her, and no manager interieres. We have changed too much."

The Plainedealer has this to say of us: "The Douglas Independent, has once again changed hands, Rev. J. R. N. Bell being the fortunate purchaser this time. The consideration is said to be about \$1200. S. F. Floed, one of the best newspaper men in Oregon, has been engaged to manage the business and he will no doubt make a good paper out of it.

We learn the name is to be changed to the Review. Here's our best wishes to the new proprietor, and we wish the new proprietor success." And now we return the compliment, hoping that our relations may always be mutually pleasant.

Here is our best wishes for your prosperity and happiness.

Mr. Cleveland's letter to George William Curtis President of the National Civil Service Reform shows plainly that he, Mr. Cleveland, means a thorough, straight forward Democratic Administration, and means to hold the Democratic party personally responsible for the transactions of the next four years.

Mr. Cleveland goes into office without committee, no great swarm of office seekers to be satiate, and thus untrammelled. He will no doubt give us a good government. Most assuredly that letter has the right ring, and no doubt will have the desired effect upon the community at large.

WILBUR ITEMS.

The Independent comes in on time now, and we are happy.

Our protracted meeting was a great success. Over Seventy converts.

Fall grain looks well, and stock of all kinds, ditto.

Coyotes are disturbing many lambs, and Capt. G. W. Shorts imported Coyote dogs if not kept closely, will be destroyed also.

As was noticed in the last issue, the Douglas Independent has passed into oblivion. The paper heretofore to wave triumphantly as the Roseburg Review.

While we feel loth to part with those who have discharged their duties in the past, we cannot but congratulate ourselves that the paper has fallen into such able and worthy hands as those of J. R. N. Bell who is so well and favorably known among us, and whom we gladly welcome to the Editorial chair, and hope all who wish a journal devoted to the interests of the people at large will give it their hearty and substantial support, remembering that success largely depends upon the patrons.

What do you think of us. Read our new advertisements.

Send us your neighborhood news. Wonderfully Spring like weather.

Roseburg will celebrate in fine style March 4th.

Don't forget the Masquerade Ball February 4th.

Creed Floed and wife returned to Portland, Saturday.

When, oh when, will the Court house fence be built?

District No. 17 is to build a school house. Contractors read "ad."

Rev. Father Heinrich left on his regular parochial visit to the coast on Wednesday.

The Senatorial election draws near, and everything indicates the calm before the storm.

We understand that the Oakland election case will be appealed to the Supreme Court.

Joseph Jacques died at Galesville last Saturday and was buried at Canyonville, Sunday.

We call especial attention to Dr. Second's catarrh and can highly recommend his Remedy.

Jos. Burgman, a prominent citizen of Portland since 1856 paid Roseburg his first visit last week.

Roseburg can boast of being the best lighted city in the State. A few more lamps, however are needed.

The "third house" of the Legislature is not so large or active as formerly. Hen. Owens is Grand Mogul.

We are chock full of good advice to the Legislature this week. If our Solons don't do right, you can't blame us.

Our old time friend F. Hill Esq. of Wilbur was in Roseburg a few days since, and called at the Review office. Call again Brother Hill.

A movement is on foot to cut a slice off of Jackson county and add the same to Josephine, making Grant's Pass the county seat of the latter.

The Oregon exhibit at New Orleans is attracting much attention and praise. It will doubtless be the means of inducing much immigration to this State.

Cattle and horses came through the great snow storm in Eastern Oregon and Washington, with but little loss, and the sheep fared better than was expected.

The people in and about Canyonville have been much afflicted of late with Diphtheria. About forty persons have been attacked, but in only four cases so far has it proved fatal.

Dr. B. A. Cather, we learn, is having good success.

B. H. Brooks, Esq., of Polk county is in town in the interest of the Mutual Self Endowment Association and he is meeting with success.

We bespeak for him a good list of names, for the Association commends itself to every one who gives it proper attention.

Rev. Mr. Driver, last Saturday and Sunday, preached four as able sermons as any we have heard for a long time.

On some lines of thought, we doubt if he has his peer on the coast. Congregations were large and on Sunday evening, standing room was at a premium.

From Neah Cornutt we learn that the Cow creek valley is flourishing. All the grain sown is looking well, and farmers are still sowing and hopeful.

Mr. Cornutt has 90 head of hogs to sell and the question with him is whether to ship or kill them and we cannot inform him.

We would advise all our readers who think of making a Vegetable or Flower Garden this spring to send to D. M. Ferry & Co., Detroit, Mich., and get their valuable and beautiful Seed Annual. This house is entirely reliable, and if you wish to get exactly what you order you cannot do better than intrust your orders to them.

A. G. Williams Esq. of Scio Linn Co. Oregon was in town a few days this week. He is travelling through the country to see how he likes it. He has just returned from Jackson county and other places south, and expresses himself decidedly in favor of our beautiful Umpqua Valley.

He goes to the Coast this week and thence home. We hope he may settle in our midst.

The Portland News says that several persons have visited ex Senator Nesmith, recently at the Insane Asylum, and report that his chances of recovery are very slight. It says: "One mania that possesses his distracted mind is that it is through the machinations of members of the Democratic party that he is deprived of his liberty. The object of shutting him up, he says, is to prevent him from participating in the fruits of the Democratic victory. Therefore, he implored his friends to represent his situation to the proper authorities, and he felt confident that he would be released from the asylum."

Physicians are often startled by remarkable discoveries. The fact that Dr. King's New Discovery for Consumption and all Throat and Lung diseases is daily curing patients that they have given up to die, is startling them to realize their sense of duty, and examine into the merits of this wonderful discovery, resulting in hundreds of our best Physicians using it in their practice. Trial Bottles free at S. Hamilton's Drug Store. Regular Size \$1.00.

OAKLAND NEWS.

Success to the REVIEW.

Weather beautiful for the last few days.

Grass and grain growing beautifully for this season.

Umpqua valley is the Eden of Oregon no snow—but little frost—just rain enough—plenty of grass and fat sheep and cattle.

A Dramatic Club has been organized in our town in the last few days. The boys and girls will give us good entertainments—food for a good hearty laugh.

We are glad to learn that Hon. J. C. Hutchinson has been successful in floating his logs down the Umpqua to Gardner. We understand he has had an unusually good catch and we trust Jims financial reward will be in proportion to his untiring efforts in this uncertain enterprise.

G. B. Winniford has been quite ill for a week past, but at this writing we are glad to say he is rapidly improving. George is of the staple kind and we will rejoice to see him again in perfect health.

Mrs. Persian (formerly Miss Gossett) who has been on an extended visit to friends and relations in and about Oakland left for her beautiful home in East Portland this week. Come again Mrs. Persian, we will all be glad to see you.

Chas. Hall and J. R. Dodge say that Mr. W. B. Hawtite is quite a genius in his trade, and that he is rapidly improving. Willie is a good boy. And we are glad to bear such commendation.

Rev. Mr. Richardson is at this time conducting a protracted meeting in our midst. His congregations are large and attentive, and we have no doubt but his earnest efforts will result in much good.

Mrs. and Miss Martin of Harrisburg are at present time in Oakland visiting their daughter and sister Mrs. Henderson. Mrs. Martin in search of health, and Miss Martin in search of pleasure, both of which can be found in our beautifully and healthfully located village.

Louis Kruse is now in charge of Wells, Fargo & Co's office in this place. We are glad to see Louie in this position, and will contribute our mite to make his official pathway smooth.

It is now probable that the Rev. Earl T. Lockard who expected to leave our town the first of this year will remain with us. We trust this may be true. Mr. Lockard has been a faithful and successful worker since his sojourn with us. The Sabbath School has never enjoyed such prosperity as it has done under his wise supervision.

Our friend Cash Gailis says the city authorities are decidedly and positively inefficient, falling far short of their duties. He says the roads to Old Town are now almost bottomless and the pickets around Uncle Calvins field resisting, and that the city Council must without further delay construct a plank walk to the said Old Town or suffer the severest penalties prescribed by law.

We had the pleasure by special invitation of attending the exercise of the Literary Society of the Oakland Academy on last Friday night and must say that all were pleased beyond measure. The Orations, Declarations, Recitations and Dialogues were rendered in such a way as to reflect much to the credit of the teachers, Prof. Russell and Miss Parott. The oration by Heber Tower was excellent indeed, showing much diligent study and research. If this young man will be patient and studious he will in the near future occupy an important position among the Literati of the land. The recitations by Miss Lillie Barnard was rendered in the most forcible manner of any thing of the kind we have ever heard since our residence in Oakland. This young lady has talent and should be industrious in its cultivation.

OBSEVER.

It makes no difference what business you are engaged in: whether you are a preacher, a merchant, a mechanic, a lawyer or a common laborer, you can't do your work well while you are half sick. Thousands try to, but all in vain. How much better to keep your organs in good order by taking Parker's Tonic when you feel "a little out of sorts." It would be money in your pocket. One hour of good, rejoicing health is worth half a dozen hours full of languor and pain.

J. F. Haworth of Nashville Tenn., step son of D. R. B. Winniford cur late County Assessor, called one day this week and speaks in praise of our splendid climate.
